Osoiro Anes

Rubrica
Since changing lovers,
I've been only anguish;
she lacks the knowledge
of love's art, I my verse.
Yet I'll ask for her to do
what, I am sure, is new!

Knowing how best to love
a man serves a lady
well – I've seen many
by love improved
So I'll ask that for her to do
what, I am sure, is new!
