Mother, I have seen  
the ships in from sea,  
and I'm dying of love.

Mother, I watched as  
the ships weighed in,  
and I'm dying of love.

The ships in from sea,  
I went to meet them,  
and I'm dying of love.

The ships weighed in,  
I went and I waited,  
and I'm dying of love.

I went to meet them  
but I could not see him,  
and I'm dying of love.

I went and I waited  
but I saw him nowhere,  
and I'm dying of love.

I could not see him  
who brought me this suffering,  
and I'm dying of love.
