Rubrica

O sea waves at Vigo,  
have you seen my beloved?  
God help me, is he coming?

O sea waves that swell,  
have you seen my friend?  
God help me, is he coming?

Have you seen my beloved  
who makes my heart troubled?  
God help me, is he coming?

Have you seen my friend  
who makes my heart fret?  
God help me, is he coming?
