Rubrica
Word came today:
my friend's on his way,
and I'm going, mother, to Vigo.

Today came the tidings: my friend is arriving, and I'm going, mother, to Vigo.

My friend's on his way and is alive and well, and I'm going, mother, to Vigo.

My friend is arriving and is well and alive, and I'm going, mother, to Vigo.

He's alive and well and is the king's friend, and I'm going, mother, to Vigo.

He's well and alive and is the king's ally, and I'm going, mother, to Vigo.
